

**REMARKS**

Claims 1-7 and 13-20 are pending in the present application. Claims 8-12 have been cancelled by way of this amendment.

The Examiner has indicated that the original set of claims is directed to two inventions: Invention I, represented by claims 1-7 and 13-20; and Invention II, represented by claims 8-12.

The Applicant has elected to pursue the claims to Invention I. Accordingly, claim 8-12 have been cancelled without prejudice to re-introducing the cancelled claims in a related application.

In view of the foregoing, the applicant respectfully submits the application is now in condition for allowance. Favorable reconsideration and allowance of the application are respectfully requested.

Respectfully Submitted,
